Location: Elks Club

Shenandoah (on Hwy 59)

Meeting & meal sponsored by:

Mills

**Montgomery
SWCD**

Fremont

**Page
SWCD**

Soil and Water Conservation District

Practical Farms of Iowa &

Presentations by:

Sarah Carlson-Practical Farmers of Iowa

Aaron Seaugling-ISU Extension

Aaron Andrews-Iowa Learning Farm

And...

**Local Producers experienced in
using cover crops for various
benefits - Erosion, Production, etc.**

A large amount of time will be set aside for questions and answers. Producers are asked to invite their coop representatives, seed salesmen, agronomists, or aerial applicators to attend. This will aid in good discussions about the management of cover crops, and allow you to have the confidence to try cover crops on some of your acres.

**To RSVP, Contact Corrine Jenkins
at (712) 623-9680 extension 3.**
